

Thank you for a lovely stay in your tower. Your hospitality has been wonderful. The tower is an amazingly unusual place to stay with all mod cons. (everything that is needed)

The countryside is beautiful & peaceful, just what is needed on a rest from work. Plenty of lovely towns around to visit steeped in history.

We would recommend your tower to everybody so long as they can manage stairs! Bike rides are a must. It was lovely to meet your sister & her family.

We wish you all the best
