

Back again & we have had another lovely couple of weeks. The weather has been glorious (albeit one wet Sunday & a Tuesday afternoon!) As always, we have done loads of fantastic walks, it's a great way to see the fantastic countryside & to see the Autumn colours.

Every time we visit here, we are still enthralled by the peace, quiet & calm - enchanting.

We will be planning our next visit very soon! Until then - we wish Sophie & Damien all the best with their businesses.

Am bientot
